School of Hard Cocks

A few weeks ago my boyfriend asked me if I would dress up in my old school uniform and allow him to take some photos of me.

Up for anything as usual, I readily agreed. We had just about finished the film in the polaroid camera when his friend Andrew walked through the unlocked front door unannounced.

He stood there staring at me, amazed to see me in just my old school skirt and stockings. His amazement soon turned to lusty excitement.

Being an exhibitionist, I thought I'd lift up my skirt to give him a better view of what he obviously wanted to see. My boyfriend nodded in approval and I lifted my skirt high above my waist.

My boyfriend wasted no time in kneeling down in front of me, going to work on my pussy.

He buried his face in between my legs and lapped at my clit with his warm, wet tongue.

I let out a sigh, never taking my eyes from Andrew who by this time had unbuttoned his jeans. I watched as he took out his cock and then I called him over to me.

I took his cock in my hand and began to wank it. My boyfriend stood up and I knelt down and took them both in my mouth, sucking and licking every inch of hard cock I could.

By now my pussy and arse were on fire. One of them had to be filled, and my boyfriend took the lead. He pulled his cock out of my mouth and moved in behind me.

I got on my hands and knees, doggy-style, and raised my arse high in the air. My boyfriend began licking my soaking wet pussy from behind.

He slipped two fingers inside me while I carried on sucking Andrew's cock. My boyfriend took out his fingers and, replacing them with his cock, began pounding in and out of my aching pussy.

I slurped and sucked on Andrew's cock while being fucked from behind by my boyfriend.

I had always wanted to be licked and fucked by two blokes at once and this was a dream come true. The lads changed places and as I licked my juice from my boyfriend's cock and balls, Andrew shafted me from behind.

I was horny as fuck and to make my ultimate fantasy come true I said I wanted them both to fuck me at once – one in my arse and one in my pussy.

Both happily agreed and I straddled my boyfriend as he lay on the floor. He slipped his cock into my now dripping wet pussy as Andrew climbed on from behind and took me up my tight arse.

We all began moving together and as Andrew pumped at my arse I knew it wouldn't be long before I reached a climax. Within seconds I was cumming, shaking and screaming in total ecstasy.

My boyfriend and Andrew then both said they were going to cum. I told them I wanted both my holes filled with their juicy spunk.

They fucked my arse and pussy until they both shot their loads, filling me right up.

I was well and truly fucked, but completely satisfied.

Kelly, Newcastle.

"I'm looking for a man who's prepared to obey my every command. If I want him to rub my feet for an hour, he'll have to thank me for letting him touch me and then, once he's finished, he'll have to get on with whatever other job I've got lined up for him. Sometimes I might want to just sit on his face, so his nose is pressed right up against my moist pussy – but he can only lick me when I give him permission! Reckon you might be up to the job? Then why not get your hard prick out and show me exactly what you've got to offer!"

Office Cock

My girlfriend Mandy is thirty-seven years old. These photos were taken in my office one weekend.

We often go into work and catch up on the paperwork when none of my staff are around.

This gives her the chance to play the role of the sexy secretary.

The only problem is that she is one fuck of a distraction, bending over the desk and flashing her bronzed thighs and firm butt at me.

I don't seem to get much work done. But then I'm not complaining because I do get my plums sucked.

She has got great tits with long hard nipples, a lovely tight little pussy and gives the best blow-jobs I have ever had.

During sex I like her to tell me stories about her past sexual exploits, in which she takes a great deal of pleasure in verbally reliving for me.

My favourite short stories are the ones about her college days. She was nineteen and looked quite shy and innocent in those days. How wrong could you be?

She always wore dresses or skirts, usually with stockings or hold-ups. She often gave lads blow-jobs in the common room at break times and after lessons.

She soon got a reputation among the lads in her class for giving good head.

She sucked a mean cock and she always swallowed the lot.

One of the lads' parents went away for the weekend and Mandy was invited. Of course she was – you'd have to invite the blow-job queen, wouldn't you?

Mandy wore a little black number to the party, along with the usual black stockings, suspenders and high heels.

The party kicked off and most people were getting pretty drunk. Mandy was being chatted up buy some guy and before too long they were up in the bedroom.

£150

After sucking the guy off and drinking down his cum, she took his cock in her mouth again and slowly coaxed another hard-on out of him.

Then she lay on the bed with her legs spread wide.

He knelt in front of her and slid his cock inside her.

After they'd been screwing for a while she noticed that a couple of lads had entered the room.

She did not seem to mind and carried on. When the first guy had sprayed her with spunk a voice from the room asked when it was his turn.

She told him his turn was next and began sucking his cock.

The third guy in the room didn't need an invitation to join them on the bed. As guy two began pumping her soaked pussy she took guy three in her mouth.

Well this carried on for hours, her getting fucked while she sucked. More blokes came in and stood by the bed, all waiting the turn she willingly allowed them.

Mandy can't actually remember just how many guys fucked her that night.

She thinks it was somewhere between twelve and twenty, with some of them doing her more than once. She said she was covered in jism by the end.

She had spunk on her face, tits, stomach and all down her stockings.

She can't remember how many guys had cum inside her or how much spunk she had swallowed. A good pint, I reckon.

She tells me she was sore for two weeks afterwards but it was worth it and she enjoyed every minute.

Stuart, Bucks.

"Maybe I do! Gig-gidy giggidy!

I was at a gig and I met this wicked tart whose pictures you see here.

She was dressed in an all-body fishnet suit and she went down on me like a diver looking for pearls.

Well she found it – all over her face after she'd noshed me off in the venue's toilet. Her look of complete joy when I made the tart all kitten-eyed made me want to see her so we set up a date next week.

She said she would bring along a mate so I met her in a pub expecting to see a bird as fit as her.

I was a bit perturbed to see her turn up with a bloke in tow – a real muscly fucker. I was tempted to blow the whole thing out but after a couple of drinks, banging a girl along with another guy seemed like a better idea.

So, we went back to his house. He just wanted to watch at first, as this girl (Georgia) knelt in front of me and slowly revealed my cock.

She let her lips caress every part of my tuberous cock and balls, even probing my pulsing anus with her hot tongue.

The other guy was obviously getting hot over this sight, and began easing his truncheon up Georgia's cunt while she covered my dick in spit.

I loved watching this guy's fat cock dip into Georgia over the horizon of her nice big arse. A few more strokes and I was spraying her gums with man-seed.

She flipped over and let it seep back out of her mouth and down her chin. Matey-boy finished off by holding her boobs tight and thrusting into her wet minge.

We exchanged a handshake and I left. I found the experience interesting and would probably do it again.

Marcus, Chelmsford.

Auto Erotic

The three garage mechanics said that I had three holes that needed filling when I came to collect my car. But, they went on, my front bumper and rear end were fine.

It was only when I got the car home that I realised I had left a video of myself on the front seat and that was what those cheeky lads must have been referring to.

The next day I drove to the garage, and made sure they got a good flash.

I said, "I have come to get my three holes filled!"

The garage doors were shut and the three guys, Micky, Darren and Bob put their oily hands all over me.

Darren and Bob were feeling my fanny and arse while Micky was sucking my tits.

I knelt down and told them to take

£100

their pants off so I could suck on their cocks.

Darren was the biggest so I sucked him first, then I went down the line and as each one spunked I swallowed every drop.

I took my clothes off, except for my stockings and told them to fill me up.

Darren lay on the floor and I sat on his cock (nine and a half inches of heaven), Bob slid his cock in my arse and Micky filled up my mouth.

As each one pumped a hole my juices began to flow until on each inward stroke, my fluids were splashing out of me.

The harder they fucked me the wetter I got.

I was screaming in ecstasy as the guys changed places. I could taste bum juices on Bob's cock and this made me cum again.

Bob came over my face and I screamed to be fucked harder.

Darren and Micky came at the same time, filling my pussy and arse with man fat while Bob sat on a chair and got himself hard again.

I went over and sat on Bob's cock and got fucked hard and slow in the arse to finish off. I can't wait for my next filthy MOT!

Dee, Lancs.

ASTON

Now it's been a little while since I was last in hospital (famous last words!) but I'm pretty sure that's not exactly what nurses' uniforms look like these days, Aston!

"No, it's a fair cop – I'm not really a nurse. I bought this outfit a couple of years ago when my boyfriend at the time had broken his leg and was stuck at home for a couple of weeks with a big pot on. I thought it might cheer him up a bit if I 'looked after' him like a proper nurse – well, the sort of nurse who ends up giving a sloppy blow-job at the end of a bed bath, anyway!"

Lucky git! Well as it happens I've got a bit of a gyppy knee just now…

You're not going to catch much smaller than a cod with those fishnets, Jenny!

"Ha, well I'm not interested in catching anything too small, am I? Who wants a minnow, after all? And besides, one of the things I really love is being fucked through the holes, and these fishnets are perfect for that. We'll admit it, that doesn't sound too shabby!

All questions for the nation to puzzle – but not Sam Bentley. She's not really bothered about football at all.

"No, I can't stand it! The only thing I like about it is the sexy girls who play and their muscly thighs! There is nothing sexier than a woman playing with balls!"

REAL WIFE SEX

RUNAROUND SUE GETS A SEEING-TO!

"EVERY TIME HE FLICKED HIS TONGUE AGAINST MY CLIT MY PUSSY THROBBED..."

My hubby Ray got me a car as a little run-around a few months ago, but within a couple of weeks it had started making funny noises and playing up a bit, so in the end I bit the bullet and took it to a garage in town.

The owner of the garage looked it over. He was very friendly and checked it out immediately. After poking around under the bonnet for a bit he said he would have to keep it for the night and that it would be ready the next day. I was a bit upset at having to leave my car, but cheered up when Dave, another of the mechanics, offered to drive me home. In spite of being dressed in scruffy overalls Dave was handsome and I found myself flirting with him all the way there.

When I phoned the next day I was told that the car would not be ready until late, so I arranged to pick it up in the evening. When I arrived at the garage everyone except Dave had already gone home and he was still working on my car. He told me I could hang around until he was finished and I was glad to do so, especially when I had a good view of his arse as he bent over working on the engine.

Dave has film star good looks, with dark brown eyes and thick black hair, but it was his muscular body which did it for me. After a while I grew bored of admiring him from a distance so I moved behind him and grabbed his arse, just to tease. But Dave straightened right up, and, apologising for his oily hands, he pulled me to him and began kissing me full on the lips.

The force of his passion took me unawares and I became so heated that I responded in kind. Not bothered about the oil or grease that covered his clothing, face and hands I began

to strip him, eager to put my hands into his boxers and root out his wedding tackle. Dave held me off for a moment while he locked the garage door in case anyone else showed up.

He turned back to me, and, sweeping me into his arms he sat me on the bonnet of a shiny red sports car and tugged down my panties. The bonnet was sloping and I kept sliding down it, so Dave got me to spread my legs wide, and bend my knees, placing my feet flat on the bonnet to help hold me in position. Leaning over my pussy he began licking it, his tongue gliding along the length of my flaps as he lapped up my sex juices.

Every time he flicked his tongue against my clit my pussy throbbed harder and I had to grip his shoulders tightly to stay in position as I neared climax. It was rough and ready in the cold garage but Dave was an expert lover and when I came it was magnificent. Having eaten my slit Dave began frigging me, making me come repeatedly until my thighs were slick with my cunt cream.

He stood back to get his breath and I slid down the bonnet and onto my feet. That's when I noticed the whopping big hard-on he was sporting. My hand instinctively went to wank it and it was Dave's turn to groan with pleasure. I tickled his balls, enjoying the feel of his heavy ball-sac in my hands as I tugged at his big cock, feeling it grow to full length and hardness. The ground was filthy, so I looked around for something to kneel on, and when Dave realized what I was looking for he handed me his overalls which I folded roughly and used as a mat.

"WHEN I FELT HIS HELMET NUDGE THE BACK OF MY THROAT I WORKED HARD NOT TO GAG."

Kneeling in front of him, I took his lovely cock and sucked it slowly inside my mouth. Bobbing my head up and down on his erection I flicked the tip of my tongue across his cock-head. Dave brushed my hair back from my cheeks so he could watch me sucking him and I tilted my head back so I could suck him deeper. My cheeks hollowed as I sucked harder and when I felt his helmet nudge against the back of my throat I worked hard not to gag and continued pleasuring him until it was almost too much for him to bear and he begged me to stop.

We moved to a work bench and I put my arms around Dave's neck. I could feel his cock pressing into my stomach and put my hand down and guided it inside my pussy. It was hard, I mean like iron bar hard! Dave kissed me, and, putting his hands under my buttocks, told me to wrap my legs around his waist.

Lifting me so that my weight was on the edge of the work bench, he began to screw me hard, his cock slamming my well-lubricated pussy as I held on tightly to his back. His thick cock sawed in and out of my gripping pussy making me squeal with pleasure as he fucked me hard and fast. Soon I was sobbing for breath as he sent me over the edge, making me come like a crazy woman as his big cock pumped away at my aching pussy.

"Don't come yet," I begged him, hoping he could hold off, and when he slid his cock out of me for a moment I sighed in relief.

Turning around I braced my arms against the garage wall and begged him to finish me off from behind. Dave laughed and adjusted his stance to accommodate me. Soon he was thrusting in and out of my cunt and making me scream with pleasure until, with one final jerk, he blew his load deep inside, me making me come again and again until I almost ran out of breath.

Needless to say, since that day the car's been in tip-top condition, and so has my sex life been – well, if hubby's going to get me a clapped out old car, what does he expect?

MY FAVOURITE D

What woman wouldn't like to suck on warm, throbbing cock all day long? Unfortunately some of us blokes have to go to work. Here's what they like to get up to in our absence...

04. Melissa
Yorks

"I start of with the smallest and work my way up to the monster," says Melissa, 25. "I once came

06. Tammy
E. Mids

"This has got to be the best 30 quid I ever spent!" says the horny 39-year-old. "With the shaft buried in my fanny and the rabbit on my clit I'm in ecstasy!"

07. Eve
Liverpool

"Do you think your readers would like to see my fucking my tight hole with my little vibe?" teases Eve, 28. Hmm, tough question, but we reckon they may well!

05. Kyra
Sussex

"I've got super sensitive nipples," says the super-stacked 28-year-old. "With a vibe up my cunt as well I could spend the whole evening bringing myself off."

Jennifer

What with all the health scares knocking about, these days it feels like the only thing you're allowed to eat is raw fruit – assuming it's organic and has been properly rinsed, of course! But we think we've spotted something in this kitchen that's be even better to eat than that – Jennifer's pink, shaven cunt!

"Oh, yes please! I can never get enough of having my pussy eaten! My last boyfriend used to do it for hours – he always made me cum so hard. God, why did I dump him again?!"
